### COLONEL ROOSEVELT IS ACCEPTED BY REPUBLICANS

Chairman Hubbell and Joe Morrison on Tour of State to Secure a Union Between Parties; Task Auspiciously Begun at Yuma; Conference in Tucson Wednesday Evening; Republican Organization to be Retained.

TUCSON, July 23.—J. L. Hubbell, chairman of the Republican state committee and Joseph E. Morrison arrived in Tucson Wednesday for a conference with Republican and Progressive leaders whom they are confident of winning over to the plan of coalition which was auspiciously begun at Yuma. This plan is the endorsement of Colonel Roosevelt as the candidate of the Republican party for president in 1916, and the adoption of the Progressive platform substantially. The Republican party organization is to be retained.

During the day they met Tom K. Richey, chairman of the Republican county committee and H. W. Zipt. They go to Nogales next.

At Yuma a resolution was adopted, as follows:

"WHEREAS, at a joint meeting of the Republicans and Progressives of Yuma, Arizona, held July 21st, 1914, it was resolved, that the best interests of the state of Arizona required the setting together of all Republicans and Progressives under the Republican banner and name, for the purpose of defeating the present wasteful, incompetent and law-defying administration, provided that the Republican party of the state of Arizona adopt the Progressive platform substantially, in toto, and endorse Col. Roosevelt for president in 1916, therefore be it

Resolved, by the Executive committee of the county committee of the Progressive party of Yuma county, Arizona, the executive committee of the county committee of the Republican party of said Yuma county, Arizona, concurring herein, that we deem it to be the best interests of our state and our principles, that all the members of both of said parties unite for the year 1914 under the Republican banner and name, and that the Republican party of Arizona, endorse Col. Roosevelt for President in 1916 and that steps be immediately taken for holding a joint meeting in Phoenix, Arizona to put the purpose of this resolution into effect.

Approved and concurred in this 21st day of July, 1914.

THOS. D. MOLLOY,  
Chairman Progressive Executive Committee.

ALBERT C. BYRNES,  
Secretary.  
H. VANCE CLYMER,

Chairman Republican Executive Committee.  
C. H. COLEMAN,  
Secretary.  
Approved July 21, 1914.  
J. L. HUBBELL,  
Chairman Republican State Committee.

In the evening Messrs. Hubbell and Morrison will meet with the county committees of both parties. After the Yuma meeting a telegram was sent to Col. Roosevelt asking that he use his influence with the Progressive state committee to have them accept the coalition, so as to defeat the Democrats. It is believed that the Progressives will not insist on the recall of the judiciary.

"There is nothing else in the Progressive platform that really conflicts with Republican principles," the boys in all counties will get together. We've got to. Conditions under the present state administration are intolerable," said Chairman Hubbell.

### THE CATTLE MARKET.

Kansas City Stock Yards, July 20, 1914.—Native cattle and good yearlings advanced 10 to 25 cents last week, but the market closed dull on medium and common grass steers, with buyers lined up for a fight on that class this week, account of unsatisfactory killing percentages. Stockers and feeders have responded only feebly to the recent advances on finished cattle, and closed last week 10 to 25 cents under the opening last Monday. Receipts today are 11,000 head, market steady to strong. A new top was put on prime natives today, at \$9.80, highest on record here for July and branded steers brought \$9.65. These sales were in the heavy class, and yearlings, both steers and heifers, sold freely at \$9.25 to \$9.50. Kansas grass steers again sold at \$9 today, equal to the best sale on them last week, and grass cows reached \$7. Choice butcher cattle sell quickly at firm prices, but grassy cattle of poor quality are seasonably lower. Veal calves are firm, and bring up to \$10. The supply of quarantine cattle is 130 cars today, largely middle class Oklahoma grass cattle. Good cake fed steers, and good grassers are selling steady to strong today in the quarantine division, but slippery stuff is lower. Ample moisture is reported from nearly every section, but unless rain falls within a few days, several hundred cars of cattle will be forced to go to market from the Kiowa and Florida districts. Stock steers are selling at \$6.25 to \$7.75, and feeders at \$7.50 to \$8. The market on these classes lacks spirit and the situation is anomalous, inasmuch as the fat cattle is most satisfactory, and rangeland are getting highest prices for record for cattle, namely, \$40 to \$50 for yearlings and \$30 for calves. Apparently, stockers and feeders are now selling at bargain rates here.

GEO. W. FRASER, Mayor.  
MAT DANENHAUER, Clerk.

Colonel Roosevelt, it seems, is going to smash the Wilson administration because the word "regret" appears in the Colombian treaty. Isn't it too bad that facts have to come to light showing that that particular word was put in the treaty by former President Taft, who's already smashed?
